

Key to the success of Genesys Works and our interns has been the support of our CIO community and the hundreds of technology professionals who work with our students every day.

Join us as we celebrate our collective impact and recognize the people and companies creating meaningful work opportunities possible for students in the Twin Cities.

Through sponsorship of our 6th Annual CIO Luncheon, you can help move more youth away from the cycle of poverty and into professional careers.

March 18, 2019  
11am-2pm  
Radisson Blu  
Mall of America
