

Draft Day is Genesys Works' signature end-of-summer event where we launch our young professionals into their year-long internships. Think NFL draft with a corporate twist.

At Draft Day, we celebrate the hard-earned summer successes of our young professionals and announce, amidst all the fervor and cheers, their internship placements – the corporation where they will spend the year learning and growing.

Join over 1000 Genesys Works stakeholders – more than 50 corporate partner teams, students, families, and school champions for a morning of excitement, celebration, and possibility.

Morning of August 13, 2019 **Saint Paul RiverCentre**
